

Favorite UUFF Hymns

(i.e. tried & true tunes that we can actually—usually—sing)

A note to lay leaders: this list is offered with some hesitation. We don't want our singing limited to the hymns on this list. We want to make new discoveries, to have new challenges. But we also want to build a growing body of hymns that we get to know well and that will become old favorites. So please do not limit yourself to offerings from this list. Whatever you choose, be sure to call the pianist by Wednesday to let her know which hymns to prepare.
