

Unitarian Universalist Fellowship of Fairbanks

III. Finance	Approved by: Board of Directors
Support for Attending General Assembly	Adopted: October 26, 2017

PROPOSED LANGUAGE

General Assembly (widely known as simply “GA”) is the annual national meeting of Unitarian Universalist Association.

The Unitarian Universalist Fellowship of Fairbanks will pay the GA registration fee for up to two attendees from UUFF.

Process

Each year in February/March, the minister and Board are responsible for communicating to the fellowship that UUFF scholarships may be available to cover the registration fees for GA. The Board will advertise that it will be considering requests at one of its meetings. The Minister and Board will make reasonable efforts to inform potential GA attendees of this process.

If there are more applicants than funding, first preference will go to those who have not attended GA before and are seeking support from UUA.
